Section 1

Subsection 1.1
This is a simple frame.
This is a frame with plain style and it is numbered.
This frame has an empty title and is aligned to top.
This frame is not numbered and is citing reference [1].
The packages `inputenc` and `FiraSans`\textsuperscript{1,2} are used to properly set the main fonts.

This theme provides styling commands to typeset \textit{emphasized}, \textbf{alerted}, \textbf{bold}, \texttt{example text}, …

`FiraSans` also provides support for mathematical symbols:

\[ e^{i\pi} + 1 = 0. \]

This is a backup frame, useful to include additional material for questions from the audience.

The package `appendixnumberbeamer` is used not to number appendix frames.
